

FEEES for 2021

This year we purposely reduced some fees and delayed our annual fee increase in deference to COVID. However as we as we move into 'COVID-normal' and plan our return to face-to-face sessions, we have realised that in order to continue to provide the high quality, personalised service you have come to expect from us, a fee increase is necessary. *Please find the new fee list below and note that there has been no increase to the After Hours fee of \$20 for appointments 4pm and later.*
